

Okay so you might be wondering if you should start the AT101 course first or this one (PT101). This course is still under construction so I'll recommend you start on AT101.

Differences between AT101 and PT101

AT101: Algorithmic Trading Immersive Course

- Algorithmic trading
- Strategy idea generation, design and deployment
- Gentler learning curve
- Uses MQL4

PT101: Practical Python for Finance & Trading Masterclass

- Python for trading - Semi-algorithmic trading (for now)
- Larger variety of strategies based on modern methods (Obscure markets, alternative data and some machine learning)
- Steeper learning curve
- Uses Python
